## Website Privacy Notice

This privacy notice sets out how The Mayflower Primary School uses visitor's data when they use the website.

This website collects data on its visitors in the following ways:

- By using website analytics or tracking software to view website usage statistics
- By storing cookies on visitors' computers
- By collecting personal data from visitors
- By allowing people to register and sign in
- By including third-party advertising

## Cookies

This school's website uses cookies to deliver its services and to analyse traffic. By using the school's website you agree to its use of cookies. Please refer to the school's Cookie Information policy for more information <https://www.mayflower-pri.essex.sch.uk/privacy-cookies/>.

Most cookies will not collect information that personally identifies you. They will collect more general information such as how users arrive at and use the website, or a user's general location. There are some cookies that are required for the website to operate properly. They enhance the website's functionality and provide the visitor with an optimal experience as a website user. They also allow visitors to make use of online systems, for example, the online "Contact" form. Without essential cookies, the site won't function properly, and if you set your internet browser to reject all cookies, then some elements of the site may not work for you.

If you do not consent to the use of cookies on our website, you can exit the website, or you can choose to disable/block cookies through your browser's settings and continue to use the website without cookies.

## **Personal Data**

There may be occasions when further information is required from visitors to the website, such as when completing a contact form. In this instance the website will make it explicit that data is being collected. Please note that this data is given voluntarily.

Unless the school is obliged or permitted by law to do so, and subject to any third-party disclosures specifically set out in this policy, your data will not be disclosed to third parties.

## **Third-party websites**

Visitors to the school website should be aware that when links are followed to other websites, such as community events information, then the third-party website privacy notice should be referred to. Third party cookies are those found in other companies' internet tools which are used to enhance the school website e.g. Twitter or Facebook. The school has no control over the cookies set by these third parties, and due care should be taken when visiting these sites.
