Agenda

- To discuss job for the whole school ready for our care home visit.

Minutes

We created a PowerPoint for school councilors to take back to each class regarding the Christmas cards for the care home. Every class was given small pieces of paper ready to draw a picture for the cards. Pictures need to be back to Miss Bowers by 5th December.

We then had a quick discussion about our trip to the care home. We need to learn words of the Christmas songs ready to sing to the residents. We will be visiting the care home on 12th December.
