School Council Members

Miss Bowers

Absent

Darcey (5TA)

Rosie (2BC)

Agenda

- To explain a task for our Easter Raffle.
- We had a discussion about our Easter raffle that we have every year. I gave all School Councillors a challenge to do at home:

School Council Challenge

Your challenge is to write a letter to a local supermarket asking for a donation of an Easter Egg for our Easter raffle.

Information to include in your letter:

Dear _____,

- We are School Councillors from The Mayflower Primary School.
- We do an Easter egg raffle every year where the staff donate Easter eggs.
- All of the money we raise in our raffle will be going towards our OPAL (outdoor play and learning).
- Would you be kind enough to donate an Easter egg or 2 for our raffle?
- We would share your kindness on our school Facebook page.

Please don't worry too much about spelling or handwriting at the moment. Just write a rough copy and then we will write it up in best or type it up at school once I've had a chance to read through your letters.

You can write your letter in any way you want but please be polite and make sure you include all of the information above. Have a go at writing it at home and please get it back to me before next Wednesday (11th February). Me and Mrs Bowers are going to deliver the letters during half term.
