Agenda

- Welcome back
- What would you like to achieve in your role this year?
- Photographs

We worked in groups to write down new ideas for what we want to do this year. Here were our ideas:

- We would like to help children in need within our community.
- We want to take part in litter picking events in our school and the community.
- We would like to visit the nursery to read stories with the children.
- We would like to set up a lunchtime club to teach others how to read Braille.
- We would like to visit the memory café at the local library.
- We would like to visit the local care homes.
- We would like to become wellie monitors at lunchtime.
- We would like to work with Mr. Whittingham to set up a dance club at lunchtime.
- We would like to raise some money to buy some new equipment for OPAL.
- We would like to include the Cove by going in there to play with them at lunchtimes.

Next meeting

- TBC.
