CONSENT FOR SCHOOL TRIPS AND OTHER OFF-SITE ACTIVITIES

I agree for my child:

a) To take part in local school trips and other activities that take place off school premises; and

b) To be given first aid or urgent medical treatment during any school trip or activity.

Please note the following important information:

The trips and activities covered by this consent include;

- all local visits which take place during the normal school day,
- off-site sporting fixtures inside the school day.

The school will send you information about each trip or activity before it takes place, unless it is local or regular. Written parental consent will not be requested from you for the majority of off-site activities offered by the school – for example, year-group visits to local amenities – as such activities are part of the school's curriculum and usually take place during the normal school day.

INTERNET USE

As the parent or legal guardian of the pupil named on this agreement, I grant permission for my son or daughter to use electronic mail and the Internet at school and at home, if remote education is required (due to school closures). I understand that pupils will be held accountable for their own actions. I accept responsibility for setting standards for my daughter or son to follow when selecting, sharing and exploring information and media.

I/we also agree not to publicly or privately post any information or complaints, including libelous or defamatory comments, regarding the Mayflower Primary School or any of its pupils or employees on any form of social media. I/We agree to deal with such issues by contacting the school directly, or via the school's complaints procedure, where there will be opportunities to discuss and investigate concerns or worries.

Walking home and collection of siblings

We encourage all parents/carers to collect their children from school. However, we do recognise that parents of children in Years 5 and 6 may want to support their children in developing independence. This being the case, we will allow children in Years 5 and 6 to walk home alone with the prior, written consent of a parent/carer, provided that the school and the parent have no concerns about the child's ability to keep themselves safe.

If parents wish for older siblings (above the age of 16) to collect their younger siblings, parents/carers must communicate this with the school in writing. We do reserve the right to use our professional judgement to refuse to dismiss children to older siblings if we, as a school, do not feel it is appropriate. We will not allow older siblings within the school to collect younger siblings.

Our vision at Mayflower Primary School is to create a safe, nurturing and inclusive learning community which is both inspirational and stimulating.

Using images of children

We are required by law to retain a photo of each pupil as part of our educational record. We sometimes wish to use digital images, e.g. photos, videos, audio recordings to enhance education provision, inclusion and recreation.

Pupil photographs that have a pupil's face displayed will only be displayed within the school. Any individual photographs of your child will only be sent directly to you, their parent or guardian.

Pupil photographs that are not 'front facing' may be shared in order to celebrate successes or promote our education services. Please note we only share information required for that particular purpose and only the minimum required.

As we will be relying on consent when displaying or publishing digital images, consent can be withdrawn at any time simply by contacting the school. Every effort will be made to delete the images, but please note that where consent has been provided for the publication of the images, the school may not be able to locate and delete the image on request, although reasonable steps will taken to do so.

I consent for my child's image to be taken and to be used for the following:
