What a great Summer Term we have had so far with visits from two famous sportsmen, Bikeability, and Beach School. Hopefully the sun will be out for the rest of the Summer Term and the children can enjoy their learning in our wonderful outdoor environment.

A big congratulations to our year 6 children who have finished their SATs. They showed amazing resilience and determination and we couldn't be prouder of all their hard work. Well-done to you all!

Don't forget to book your places for the Father's Day breakfast, booking closes on Wednesday 5th June. Tickets are also available for our charity quiz night. Bring a team of 6 and help fundraise for the PTA and 'Breast Friends' a Breast Cancer support group.

Have a lovely half term. We look forward to seeing you back on Monday 3rd June!

Mayflower Visit

We were fortunate enough to host a visit from former Ipswich Town and Colchester United footballer Cole Skuse and Northampton Saints rugby union player Mike Haywood. The visit was truly inspiring and the children were incredibly enthusiastic to meet them. It was clear to see the impact the visit had as many of the children now have new-found goals and ambitions spurred on by these athletes' stories of their journey to success and dedication to their sport.

SPORTS REPORTS

Fisherman's Cup Final

Mayflower and Chase Lane played an unbelievable Fisherman's Cup final, with Mayflower agonisingly missing out on penalties.

After going 2-0 down, Mayflower roared back with two goals from Kaiden (one being a superb volley from the half way line) and one from Jude to put us 3-2 up, only for Chase Lane to equalise in the last minute. Extra time could not separate the two sides so it went to penalties, but unfortunately, Mayflower were unlucky.

Well done to the whole team who played their hearts out and a special shout out to Alfie who won 'Man of the Match'. We are incredibly proud of you all.

Thank you to everyone who packed out The Royal Oak and cheered both teams on, your support shows what a special community we have here at Mayflower.

Earth Day

Our Earth Day celebration was a fantastic success. The competition was a tremendous opportunity for our students to showcase their creativity and commitment to environmental awareness.

Thank you to all of our students who took part in the Earth Day competition, the entries we received were truly outstanding! We were fortunate to have Libby Scarfe from Seaside Explorers join us as the judge for the competition. Libby was captivated by the standard of the entries and was particularly impressed by their interpretation of the theme 'Planet Vs Plastics'.

This event has helped our students develop a deeper understanding of the challenges our planet faces and the role they can play in making a difference. Congratulations to everyone that took part!
